

A stylized illustration of the Sorrento coastline. On the left, a large, leafy tree stands in front of a cluster of multi-story buildings with terracotta roofs and balconies, built into a cliffside. The buildings are surrounded by greenery and yellow flowers. A stone wall runs along the edge of the cliff. To the right, the sea is a deep blue, with a small white sailboat on the horizon. In the background, more cliffs and a distant mountain are visible under a bright orange and yellow sky with soft clouds. The overall style is vibrant and artistic.

RATIONALE

The Italian Society of Pediatric Urology Congress is the main pediatric urology scientific event in Italy. This appointment represents a special opportunity for professional networking between Pediatric urologists, Urologists, Pediatric Surgeons, anaesthesiologists, nephrologists, pediatricians. During the three days meeting, all scientific sessions, round table, and workshops will be focused on new treatments, innovative procedures, interactive discussions of complex cases. A special focus will be held on rare and complex urological diseases, EUROGEN standard and transitional care. Once again, this year, our congress will be held with adult urologist colleagues.

UEMS/EACCME ACCREDITATION | CREDITS FOR EUROPEAN HEALTHCARE PROFESSIONALS

Event Reference Number: LEE/2025/01481

An application has been made to the UEMS EACCME® for CME/CPD accreditation of this event.

ITALIAN CME ACCREDITATION – tot. ore 7 – crediti ECM 7

ID ECM: TBA

CME credits are available for Gynecologists, Urologists, Surgeons, Physiotherapists.

To get CME credits valid for Italian Health Ministry, participants need to attend 90% of scientific sessions by having their attendance verified (either signing the attendance register or having personal badges scanned) and pass the evaluation test right after the event (75% of correct answers is the minimum passing score).

ABSTRACT SESSIONS

Presentation Methods: Oral (Podium) presentation.

Abstract Agreement: If your abstract is accepted for either oral or poster session, you will be asked to accept the following conditions:

- Present the lecture in the session format assigned to you by the Scientific Committee
- Register for the conference and assume responsibility for your own registration, lodging and transportation, as well as providing a substitute presenter in case of absence.
